- The meeting started at 6:40 p.m.
- The Committee went over a Draft of Dissolution Agreement that was written up by David Pavlik.
- Need to split everything 50/50 to make it fair.
- After that is decided then Winchester will decide where to go from there.
- Forming own department or join up with another department. There was talk of maybe joining up with Winneconne/Poygan Fire Department.
- Questioning if the trucks should be divided separately from everything else.
- RW Management was supposed to do total value not replacement value on the trucks.
- RW Management has a list of everything that both stations have-need lists and history of each item to best decide how everything should be split.
- Next step is to look at the Draft of the Dissolution Agreement and show it to the Town of Winchester Board. Hopefully at the next Town Board meeting.
- David Pavlik-until things are finalized Winchester has to hold Clayton accountable for the current system that is set in place.
- David Pavlik will be getting a copy of the Winneconne/Poygan Fire Department Agreement and Personnel Manuel to look over at the next meeting.
- Next meeting is November 5, 2015 at 6:30 p.m. at the Winchester Town Hall
