

Citizens Committee Meeting  
October 8, 2015  
Start at 6:30 p.m.

Present: Scott Rieckmann, Alan Kuenzi, Jeremy Jesse, Ben Joas, David Pavlik, Denise Kempen and Kari Joas

- The meeting started at 6:30 p.m. with a tour of the fire station. The trucks that were listed in the RW Management Report were looked at and discussed.
- David Pavlik talked about the Fire Department equipment distribution and how the layout that the RW Management Report said was unfair.
- Monday night is the Joint Fire Board meeting and David Pavlik asked everyone to think of some questions to have answered by Carl Frisk who is the Fire Prevention Coordinator for the State of WI.
- We went over the trucks that Winchester would be receiving and discussed years of service, what the value of the truck are? and what the appraisal cost of the equipment is.
- Where is Winchester going to go as a Department?
- Denise Kempen said that she called and got response times for the Towns of Boom Bay and Vinland.
- There are lots of questions to be answered yet, to decide the best way to fill in the gap for equipment.
- The meeting ended at 7:25 p.m.
- Next meeting is October 22, 2015 at 6:30 p.m. at the Winchester Town Hall.
