

Citizens Committee Meeting  
March 1, 2016  
6:30 p.m.

Present: Dave Pavlik, Ben Joas, Kari Joas, Scott Mathison, Brandi Burr, John Christianson

Meeting was called to order at 6:30 p.m.

Each of the five options were reviewed based on the pros and cons identified previously and were rated in the areas of Technical, Financial and Contractual based on a 10 point scale with 1 being the lowest and 10 the highest in order to find the best for the Town of Winchester. Technical considerations were considered very important and weighted as a 10, financial considerations were considered slightly less important and weighted as an 8, and Contractual considerations were considered least important and weighted as a 3. The matrix below shows the results. The best overall option is determined by the highest score.

The five options are as follows:

- Option 1-Fix Agreement with Clayton
- Option 2-Town of Winchester Fire Department
- Option 3- Partner with Winneconne Fire Department
- Option 4- Contract with Boom Bay Fire Company
- Option 5-Contract Back to Clayton

Options	Technical (10)	Financial (8)	Contractual (3)	Score
1	7	6	1	121
2	8	9	10	182
3	7	6	1	121
4	8	7	7	157
5	6	4	1	99

The next meeting will be March 15, 2016 at 6:30 p.m. at the Winchester Town Hall.

Respectfully submitted by

Dave Pavlik
